

Summary of Revisions from NSROC III Draft RFP to Final RFP Documents

Offerors should review the Final RFP in its entirety, as its content has changed from the Draft RFP version. The following list identifies some areas where changes have been made from the Draft RFP to this Final RFP. This list is not intended to cover all changes nor describe all RFP requirements. Offerors should carefully review the RFP in its entirety.

Solicitation
See track changes mark-ups in PDF document entitled “Revisions – NSROC III RFP NNG14490137R Solicitation”.
